

Our business is committed to following the steps outlined in each of the 6 areas mandated by WorkSafe BC and the official Public Health Order

*Some practices include,*

- daily check-ins with staff upon arrival to their shift, asking if they are experiencing any symptoms & conducting temperature checks
- 30-minute timers to remind all food handlers to wash their hands & high frequency touch surfaces to be sanitized, such as the bus bin where we ask patrons to place their empty glassware
- our team members wearing non-medical grade masks
- hand sanitizing station for guests
- parties using the patio premise will be limited to groups no more than 6
- signs that show which tables & chairs have been sanitized & which ones have not been between guests

The logo for 'Loafe' is written in a white, elegant, cursive script font. The letter 'L' is particularly large and features a decorative flourish that loops around the top of the 'o'. The word 'Loafe' is centered at the bottom of the page.
